

DGET-2/2/2013-MES/IS
Government of India
Ministry of Labour & Employment
Directorate General of Employment & Training

New Delhi, dated: 28th October, 2013

ORDER

Subject: Clarification on uploading of documents by the Assessing Bodies on the portal-regarding

The Directorate General of Employment & Training, (DGE&T), Govt. of India had issued instructions to Assessing Bodies to upload documents like question paper, a few answer sheets and attendance sheet at the time of uploading the outcome of assessment. Of late, it has been found out that uploading of such documents have not brought any substantial improvement in the assessment and instead has delayed the uploading of outcome of assessment. Further, it has increased load on the server which has affected the performance of the portal adversely.

Instructions have been recently issued for inspection during assessment by RDAT as well as State officials. Clarifications have been sought, whether the practice of uploading question paper, answer sheets and attendance sheet related to assessment should be continued. After careful consideration of various aspects, it is hereby decided that practice of uploading documents by Assessing Bodies be done away with immediate effect. Accordingly, Assessing Bodies may bring these instructions to all concerned. Also, State and RDAT officials need not ask for these documents henceforth,

(Dinesh Nijhawan)
Director (SDI)

To

1. Secretaries incharge of SDIS in States/UTs with a request to circulate to all concerned.
2. Commissioners/Directors incharge of SDIS in States/UTs for information.
