Government of India
Ministry of Labour & Employment
Directorate of Employment & Training

Shram Shakti Bhawan, Rafi Marg
New Delhi, dated 17th October, 2013

ORDER

Subject: Clarifications on the amended guidelines for implementation of SDI Scheme –regarding.

Representations have been received seeking clarifications on the amended guidelines issued for implementation of Skill Development Schemes (SDIS) on 11.9.2013 stating that in many States/case Electricity distribution Companies/department are not issuing electricity bill in the name of tenant and therefore permission may be given to upload bills issued in the name of premises/building owner and copy of the agreement between two parties.

After careful consideration of various aspects, it has been decided that an entity applying for registration as VTP may upload copy of rent agreement/deed alongwith copy of the electricity bill issued in the name of landlord/building owner. Both the documents however should be scanned & saved in one computer file before uploading on portal.

(DINESH NIJHAWAN)
Director(SDI)

1. Secretaries in charge of SDIS in States/UT with request to circulate the instructions to all the ITIs, VTPs and Testing Centres and also ensuring necessary action.
2. Directors / Commissioners in charge of SDIS in States/UT.
3. DG, NSDA for information.
4. All RDATs for information and necessary action.
6. All Assessing Bodies for information and necessary action.
