

SKILL DEVELOPMENT INITIATIVE SCHEME (SDIS) BASED ON MODULAR EMPLOYABLE SKILLS (MES)

Ministry of Labour and Employment has launched a new scheme 'Skill Development Initiative' (SDI) to train, test & certify Skills of young population in the country to increase employability, productivity, to meet workforce requirement as well as to improve global competitiveness of industries. Focus on certification of Skills recognized nationally and internationally.

KEY FEATURES OF THE SCHEME

1. To impart MES training and award certificates under the aegis of NCVT, reimbursement of training cost and Assessment fees to successful trainees.
2. Flexible delivery of training programmes (part time, weekends, full time, onsite/ offsite) to suit needs of various target groups.
3. MES training by Govt ITIs, Private ITCs, Industries, Training Institutes under public and private sector, Registered Societies/Companies/Firms registered as Vocational Training Providers (VTP) under the Scheme.
4. Organisations / Establishments/ Institutes etc. imparting training desirous to get registered as Vocational Training Provider (VTP) may approach respective State/UT Government / RDAT.
5. Demand driven short term training courses based on Modular Employable Skills (MES) are decided in consultation with Industry.
6. Courses are available for persons having completed 5th standard and attained 14 years of age
7. Persons with skills acquired through years of work but with no formal certification can get their skills tested and certified.
8. Testing of skills of trainees is done by independent assessing bodies, not involved in training delivery.
